

# SITE INFORMATION DOCUMENT - Camelford House

<b>PREMISES</b>	Camelford House, 87-90 Albert Embankment, London, SE1 7TW	<b>LOC2814</b>
<b>NEAREST A&amp;E</b>	<b>St Thomas's Hospital, Lambeth Palace Road, London SE1 7EH - 020 7188 7188</b>	
	Camelford House is an operational office block consisting of a tower and a curve. There are various styles of office decor and shapes	
<b>NOT ALLOWED</b>	To film the building next door. No exterior drones are allowed. No photography is allowed in communal areas.	
<b>ACCESS</b>	Pedestrian access via the main public entrance. Vehicle access must be prearranged, press the barrier button and speak to desk security. VIP talent can enter through the rear of the building via service lift with prior authorisation.	
<b>LIFT</b>	There are 6 domestic lifts (1800kg / 21 person limit approx 1.8m internal width) One lift will be allocated to the crew throughout the entirety of shoot - this will be padded by the location to protect surfaces when moving kit.	
<b>PARKING</b>	Is available on site but must be booked ahead of access. Exterior parking of 12 spaces front of the building 20 at rear vehicles. There is a height restriction of 3.6m. To bypass the height restriction a side gate can be opened by prior arrangement. The underground car park has 50 spaces, the height restriction is 2m. Some parking areas are reserved for other tenants.	
<b>SHARED SITE</b>	Production crew must not delay or interfere with the operations of other tenants in the building. No photography is allowed in communal areas.	
<b>ROOF</b>	Access to the roof is tricky as a tenant has the top two floors. If required Locality can ask but it's not a definite area.	
<b>POWER</b>	Power differs on each floor but plenty of 13a sockets on all floors and some have up to 32a sockets, the in-house electrician can advise during normal working hours.	
<b>RUBBISH / WASTE</b>	The production MUST remove all waste it creates from the site. Failure to comply will result in charges to clean up.	
<b>REPUTATION</b>	Thames Water cannot be identified on screen in any manner: by reputation, logos; colour schemes; personnel. No shots of TW fixtures to be permitted without express Operational & security clearance. No content will breach national security, refer to drugs, or be of a sexual nature.	
<b>SIGNAGE</b>	Signage only to be placed on floors or areas that are fully rented to film crew. No signage in lobby or public areas Security will direct crew / cast to allocated lift and advise which floor Never remove, cover or block emergency signage.	
<b>HAZE</b>	Is allowed but considered on a case by case basis.	
<b>TOILETS</b>	Are available, each floor has a male and female toilet and a gender neutral toilet is on floor 7	
<b>POWER</b>	Power differs on each floor but plenty of 13a sockets on all floors and some have up to 32a sockets, the in-house electrician can advise during normal working hours.	
<b>SECURITY</b>	24 hour security on site but production is advised to bring in their own security. The owner does not accept any responsibility for items left on site unattended.	
<b>WATER / DRAINAGE</b>	2 x outdoor taps with reasonable drainage available
